

Certificate of Recognition

Mukund Katpatal

This award acknowledges Mukund's outstanding performance in the acting Software Development Manager role, which he took in addition to his current responsibilities. In just six months, Mukund has demonstrated exceptional adaptability and a strong aptitude for learning in this new role. He has excelled in various areas, including people management, technical skills, and driving results. His contributions to the RMS SD team have been exceptional, and we commend him for his dedication and continued excellence.
